9 I'm assuming you won't be attending the Women for Trump rally in the morning then?

16 Might be better than you think. Fun arts and crafts, something for everyone who wants to participate.
"Hi Women For Trump! Thanks for coming today. In those boxes you'll find rope. We'll all be practicing how to tie nooses together. Those of you who don't wish to tie nooses can volunteer to participate in the firing squads if you brought your own weapons. Or if you didn't bring your own weapon we'll be making torches later this morning..."

▼ 12 senators are set to object. 2 hours of debating per senator. 24 hours of debating. Is this correct?

3 Why aren't we *peacefully assembling* outside the DC news media branches & the DNC headquarters?

▲ [tombombadil](#) 1 months ago +3 / -0

3 WaPo headquarters is walking distance from the White House. But I wouldn't get distracted with a bunch of side quests. The thing everyone must focus on is the Capitol.

3 Can't we have at least one hanging of a traitor in 2024? For a few decades it needs to be a thing.

3 For the first decade it would probably need to be a multi- traitor hanging at least a six pack. Just to handle all the politicians and lobbyists.
